Money-affecting history

Simplified period-level entries: earnings, adjustments and payments are different movements.

2026-07-27 UTC | Late refund reversal - earlier paid period **-$14.94**

Separate $14.94 commission reversal for Jul 6-19 (SAMPLE-2026-0004). Posted in Jul 20-Aug 2; the original paid statement stays unchanged. Not a second deduction of this period's refunds.

2026-08-02 UTC | Earned during this period **+$2,659.32**

30% of eligible revenue under example agreement v1, before separate adjustments.

2026-08-07 UTC | Sample payment recorded **-$2,644.38**

SAMPLE-2026-0005-TRANSFER. Illustrative settlement only; no transfer occurred.

Change history

2026-07-20 UTC - Period opened - agreement v1 pinned

2026-08-03 UTC - Pending review - sample reconciliation began

2026-08-05 UTC - Approved - example approval recorded

2026-08-06 UTC - Scheduled - destination snapshot locked

2026-08-07 UTC - Paid - sample statement finalized and locked

Paid periods stay locked. Later refunds or corrections appear in a new open period with their own entries. This statement keeps its original agreement, identity and destination snapshots.
